Was \$398.14

**NOW \$249.89**  
+ gst

### ORDER DETAILS

Order No. 90143500

## TEST // MEASURE

### Fluke 117

Electrician's digital multimeter with non-contact voltage detector for both commercial and non-commercial premises

### ORDER DETAILS

FLUKE-117

- Compact design for ergonomic one-handed operation
- Backlight, Analog bar graph, and min/max/average to record significant fluctuations
- Non-contact voltage detection up to 600V for safer and faster operation

Was \$484.67

**NOW \$362.29** + gst

### AMP 34 XRA

Full featured, full size multimeter designed for maintenance, repair and installation of electrical and electro magnetic equipment

### ORDER DETAILS

AMP-34XR-A

- The most accurate measurements with true RMS
- Bright blue backlight for dim environments
- Extended 4000 µF capacitance range for motor run/start testing

Was \$302.86

**NOW \$226.37** + gst

### AMP VT201A

Non-contact voltage detector

**DETECTS VOLTAGE THROUGH GIB //**

### ORDER DETAILS

AMPVT 201A

- Fits conveniently in a shirt pocket, tool belt or pouch
- Both visible and audible indicators
- Safe non-contact detection of voltages from 70V to 440V AC

Was \$35.13

**NOW \$26.25** + gst
